Indian Knowledge System – IKS

Program Report

Ramakrishna Wagh College of Arts and Commerce conducted 1 Day Seminar on Indian Knowledge System. The event was graced by the presence of Dr. Rama Golwalkar Potdukhe, a renowned scholar and orator on Indian culture and idolatry. Through an engaging PPT presentation, Dr. Potdukhe highlighted the significance of Indian culture from ancient times to the present day, tracing its roots back to the Vedic period.

The program aimed at guiding students on how to study the architectural style, period, and temple structure of the historical and ancient idols of India through the cultural department of the college. The students were also given insights into the study of Murti Shastra. The chief guests provided valuable guidance to the students on these topics.

Mrs. Lata Wagh, the Managing Director of the Institute, presided over the program and expressed her views on the importance of such initiatives. The Head of Cultural Department, Prof. Saili Lakhe Pidli, along with other faculty members, organized the event. The program received an overwhelmingly positive response from the students.

On 5th April 2023, a one-day seminar on Intellectual Property Rights was jointly organized by IQAC of Ramkrishna Wagh College of Arts and Commerce, Bokhara, Saraswati Mahavidyalaya, Bokhara, and Saraswati Mahila Mahavidyalaya, Saoner. The event was held in collaboration with Rajiv Gandhi National Institute of Intellectual Property Management, Nagpur.

The inauguration was presided over by Dr. Kapil Singhel, Associate Professor, who heads the Postgraduate Teaching Department of English at Vasanttrao Naik Government Institute of Arts and Social Sciences, Nagpur.

The seminar had two sessions. In the first session, Dr. Ushoshi Guha, a power of attorney on IPR, presented various aspects of patents, trademarks, copyright, and GI, among others. She talked with students and delegates, making the session informative.

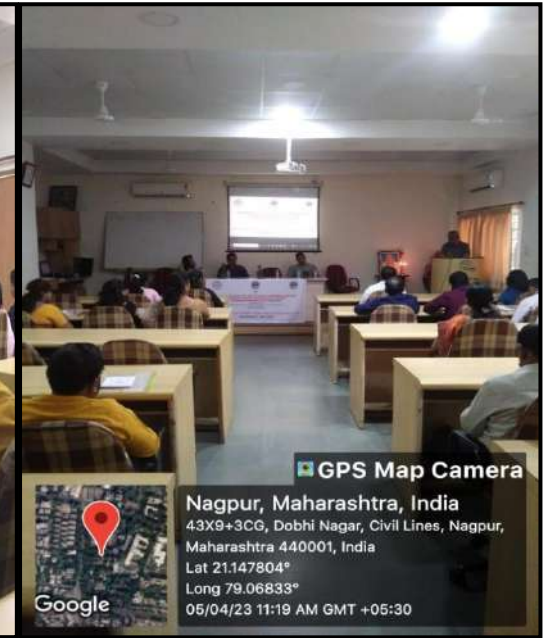

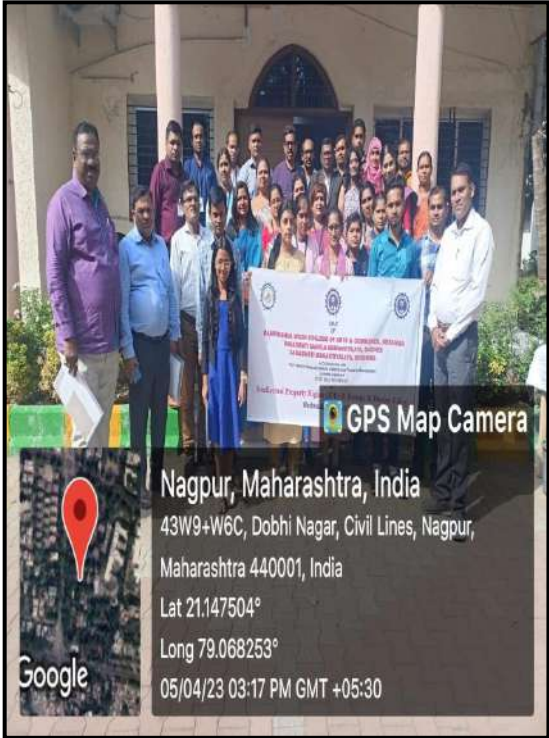

In the second session, Dr. Bharat Suryawanshi, Asst. Controller of Patents and Design, discussed patent filing and drafting, and shared various examples of patents in life science.

After a lunch break, there was a third session of group discussion where students, delegates, and faculties asked questions regarding patent filing, drafting, and shared innovative ideas.

The seminar concluded at 4 pm after tea. The teachers from other colleges and departments also participated in the seminar, which provided valuable information and awareness on the various aspects of IPR.
